

A "BIG APPLE" TO PICK NOW

AN ILLUSTRIOUS GUEST: ROBERTO BENIGNI

Starhotels New York for a dream lasting four nights (but costing only three)

The "Big Apple" is waiting to be picked. Starhotels is offering the chance to spend **four nights in New York and pay only three**, to soak up the city's atmosphere in one of its most exclusive hotels, **The Michelangelo** (152 West, 51st Street), ranked by the magazine Travel & Leisure as one of the "500 best hotels in the world " and also in Condé Nast Traveller's "Gold List" as "best place in the world to stay".

Starhotels thus opens up the doors to Manhattan for everyone, with solutions enabling two people to spend **four nights for the price of three** in an exclusive executive room. And as if this weren't enough, the offer includes a special "city card", valid for six days, to visit some of the most famous tourist attractions, such as the Museum of Modern Art (recently renovated), the Metropolitan Museum, the Empire State Building, the Guggenheim Museum and the Natural History Museum (including the "Rose Center for Earth & Space", the world's most famous planetarium), and enjoy a 2-hour boat trip in the bay for two people. The package is rounded off by a "Buon Di Caffè" Italian breakfast served in the elegant Lobby, limousine service for Wall Street, an exclusive bag with a map of New York and a camera, two logo T-shirts, a fitness centre and room-delivered newspapers. **The prices are \$ 495.00 a night, or – for four nights - \$ 1,485.00 (excluding taxes) with one night free of charge.**

Arriving at The Michelangelo is like entering the "Old World" whilst being at the centre of the modern world, an experience those capable of "picking the Big Apple" will certainly appreciate.
