

**The renovated Starhotels Ritz redefines
chic in Italy's fashion capital**

Unconventional colours, contamination of styles, crisp modern design, metropolitan *allure*. These are the main characteristics of the completely renovated Starhotels Ritz that create a warm contemporary atmosphere in an exclusive and cosmopolitan ambience.

Located in via Spallanzani, just off Corso Buenos Aires, the famous shopping street, the Hotel welcomes its guests into a spacious hall.

Vibrant colours and ingenious light and shade effects play a major role throughout the Hotel. Their scenic effect is enhanced by the use of warm, live materials such as leather. The ubiquitous alternation of red and black adds a new emotional charge to the feeling of comfort at the Starhotels Ritz.

Fitted carpets, teak and wengè furnishings, leather and velvet are the materials used to restyle the 197 rooms, in which a Starbed and a special choice of pillows ensure the finest Starhotels hospitality, and sweet dreams.

The Starhotels Ritz has seven meeting rooms for its business guests. On two floors, these modular facilities (some of which with natural lighting) all have state-of-the-art equipment for meetings and other events and can seat up to 170 in an overall area of nearly 400 square metres.

Black parquet flooring, rosewood furnishings (reflecting light from geometrically shaped wall lamps with copper detailing) and comfy red leather seating define the bar and restaurant zone. The restaurant offers both Italian and international cuisine.

On the 8th floor there is a wellness area with a fitness room, Finnish sauna and showers and a delightful solarium with elegant wicker chaises longues and a splendid view across Milan.

Starhotels: 3.725 rooms, 142 meeting rooms, 22 hotels, 20 four-stars in the heart of Italy's most beautiful cities, 1 boutique hotel in Paris and 1 deluxe in New York.
