

The flavour of autumn in Bologna **Sensational gastronomic experiences at exceptional rates**

An imaginative idea from Starhotels. A cultural weekend away in the period from 3rd October to 14th December. Art, architecture, food.

In Bologna, opposite the station and just a short walk from the centre of town, the Starhotels Excelsior offers unforgettable weekend stays from **199 euros**, inclusive of:

- double room with breakfast
- a local gastronomic speciality
- dinner for two with themed tastings
- late check-out (4 pm on request)

Visit the city and then let our chef take you on a tour of gastronomic delicacies in the comfort of the hotel.

Modern design and a dynamic spirit are the distinguishing features as much of the restaurant "Aporio" as of the hotel, itself. Copper columns, a modulation of mirrors, an internal courtyard provide the setting in which you can savour traditional Bolognese dishes, glorified by the chef's personal touch.
