

## **Visit Rome with the Starhotels CITYbreaks special offer and see Caravaggio**

Twenty-four masterpieces by **Caravaggio**, on loan from famous art galleries all over the world, are on show until 13th June at the Scuderie del Quirinale. The exhibition is a tribute to the master of light and dark who painted works such as “Canestra di frutta”, “Suonatore di liuto”, “Amor vincit omnia” and “Bacco”.

The exhibition is a great reason for a trip to Rome. And **Starhotels** rises to the occasion with its marvellous **CITYbreaks** special offers. Stay at the **Starhotels Michelangelo** or the **Starhotels Metropole** from **110 euros**.
